

Ronald C. Morrison

President, R.C. Management

Interim President and CEO

Canadian Manufacturers & Exporters (CME)

A graduate of the University of Toronto's Chemical Engineering program, Ronald Morrison began his career at Kodak Canada in 1958 and retired in 2001. He has held progressive responsibilities in manufacturing and general management. He was named president and general manager of Kodak Canada Inc. in 1984 and chairman of the board in 1994. In September 1994, he was appointed general manager of Kodak Park and vice president, Eastman Kodak Company, and from 1997 to 2011 was Worldwide Color Paper Flow Manager, Imaging Materials Manufacturing.

He is currently president of R.C. Management, an organization providing strategy and operational management consulting to a number of North American manufacturing and service organizations

Morrison is a member of the Canadian Industrial program for Energy Conservation's executive board and head of the Canadian delegation to ISO TC/PC 301 Energy Management. In addition, Morrison is Co-Chair of Members at Canada Foundation for Innovation and currently interim President and CEO of Canadian Manufacturers & Exporters.
