

## Donald Matthew

**National Sector Leader,  
Diversified Industrials group, KPMG**

**National Board of Directors,  
Canadian Manufacturers & Exporters (CME)**

**D**on Matthew is the National Sector Leader for the Diversified Industrials group at KPMG.

Don joined KPMG's Vancouver office full time in 1983 and then worked in the Richmond office between 1985 and 2000. Don was promoted to the partnership in 1993. In 2000, Don returned to the Vancouver office before assuming the position of Office Managing Partner in Edmonton in early 2006. Earlier this year, Don started a transition back to the Greater Vancouver Area to lead the opening of the new Langley office and KPMG's existing Fraser Valley practices. Don has always been involved in the Industrial Markets practice and related industry associations.

Don is an active member of the Board of Governors and Chair of the Audit Committee for the University of Alberta. He has also served on the executive of the Edmonton Chamber of Commerce, as Chairman of the Richmond Chamber of Commerce, member of the Board of the BC Chamber of Commerce, member of the Executive of the Aerospace Industry Association of BC and a member of the Board of the BC Division of Canadian Manufacturers and Exporters.

Don serves clients in a wide number of industries including public and private companies in the energy, industrial manufacturing, construction and transportation sectors. He has most recently been the lead engagement partner for EPCOR Utilities Inc., Capital Power Corporation, North American Energy Partners Inc., and PCL Construction.
