How to save a bundle at our expense.

There are countless ways to reduce your energy costs and increase your profits – and we'll be more than happy to show you how. At Enbridge Gas Distribution, we're committed to helping our industrial customers use natural gas as wisely as possible. At no charge we'll help you with Energy Efficiency Incentives, free technical advice, and a Business Associate Network.

We will review the natural gas use of your facility and assist you in identifying those areas of highest energy-saving potential – compliments of Enbridge Gas Distribution.*

Call now and arrange a meeting with one of our consultants at your convenience. You'll be amazed how much you can save – in energy and profits.
