How to save a bundle at our expense.

There are countless ways to reduce your energy costs and increase your profits – and we'll be more than happy to show you how. At Enbridge Gas Distribution, we're committed to helping our industrial customers use natural gas as wisely as possible. At no charge we'll help you with Energy Efficiency Incentives, free technical advice, and a Business Associate Network.

We will review the natural gas use of your facility and assist you in identifying those areas of highest energy-saving potential – compliments of Enbridge Gas Distribution.*

Call now and arrange a meeting with one of our consultants at your convenience. You'll be amazed how much you can save – in energy and profits.

CANADIAN MANUFACTURERS & EXPORTERS MANUFACTURIERS ET EXPORTATEURS DU CANADA ARE TRADE MARKS OF:
ALLIANCE OF MANUFACTURERS & EXPORTERS CANADA

CANADIAN MANUFACTURERS & EXPORTERS | YOUR VOICE; OUR FUTURE. CME DELIVERS

Canada's leading trade and industry association, CME promotes the continuous improvement of Canadian manufacturing and exporting through engagement of government at all levels. Its mandate is to promote the competitiveness of Canadian manufacturers and enable the success of Canadian goods and services exporters in markets around the world. Representing Canada's largest business network and with grassroots representation in every part of the nation, CME's membership is drawn from all sectors of Canada's manufacturing and exporting community and from every province across the country. The association represents Canada's leading global enterprises and more than 85 per cent of CME's members are small- and medium-sized enterprises. Together, CME's membership accounts for an estimated 75 per cent of total manufacturing production and 90 per cent of Canada's exports. 20/20 magazine is published six times a year, by Canadian Manufacturers & Exporters. | www.cme-mec.ca or www.manufacturingourfuture.ca
