Previous receptions have featured participation from the following countries: Antigua, Argentina, Barbuda, Chile, Mexico, U.S.A., U.K., Germany, Austria, Spain, Portugal, India, Italy, Netherlands, Romania, Russia, Slovakia, Hong Kong S.A.R., China, Indonesia, Malaysia, Philippines, Switzerland, Thailand, Tunisia and South Africa. Examples of service exhibitors are: logistics, trade consulting, bilateral business councils, trade finance, government services, market research, airlines and accounting.

This is your opportunity to reach out to Ontario businesses and let them know what you have to offer.

The cost of exhibiting is \$450.00 (+GST) and includes the opportunity for an information table (6 ft. skirted table), two chairs, an easel for your sign and complimentary reception tickets for two people. Attendance at past receptions has exceeded 400 business people from the CME membership as well as other manufacturing, and international trade exporting companies.
